Athens, GA 30606

Dear Ms. Langford:

On behalf of the Athens Radio Club I extend my appreciation to you for your assistance in holding the annual Radio Field Day at the Athens YMCA on June 26-27, 2021.

Each year Radio Clubs throughout North America set up temporary transmitting stations in public places to demonstrate ham radio's science, skill and service to our communities and our nation. Field Day combines public service, emergency preparedness, community outreach, and technical skills all in a single event. Field Day has been an annual event since 1933, and remains the most popular event in ham radio. This year over 40,000 participated.

We are proud to tell you that over 50 people attended our event at the Athens YMCA including children with parents. The Athens Radio Club Field Day attendees are most grateful to you for your assistance in promoting our event.

Sincerely,

Jess Hickey, Athens Radio Club President
